Dear Future Crusader,

My name is Austin Maloney and I am currently a freshman at Bishop Mcdevitt. We are a great academic school. There is a choice between basic, academic, and honors. Basic is a class in which the students learn the material at a slower pace. Academic is a class in which the students learn at a steady pace. Honors is a class that typically learns at a faster pace with additional requirements. Regardless of what level you take, the classes are challenging and require you to work hard for good grades. So far this year, it has been challenging and rewarding to me. I am taking all academic classes which has been great. My hard work has paid off with most of my grades being A's. My overall GPA for the year so far is about 3.8.

There are many extracurricular activities available to students at Bishop Mcdevitt. In sports, there are many competitive individual and team sports. We have football, soccer, basketball, baseball, hockey, lacrosse, softball, etc. Every sport offers different things. I play soccer and was going to play basketball. I recommend any team or individual sport. There is great competition, school support, and camaraderie in all of these sports. Our sports' teams have accomplished a great deal in the past and have produced many great athletes. Other activities include clubs student council and a lot of extra opportunities for all students. Mcdevitt has produced many famous people that participated in these activities as well. Carment Finestra created the Cosby Show and Home Improvement and he attended Bishop Mcdevitt. I recommend that you join one or more of these activities to make friends, have fun, and make you a well rounded person and contribute to your school's success. However, remember that you are at Mcdevitt to do well in academics so make sure you make schoolwork a priority when participating in extracurricular activities Remember to be a responsible and respectful student.

At bishop Mcdevitt we have mass at least twice a month. At school we pray before each class. Catholicism and religion are very important aspect of Bishop Mcdevitt. Participating and being educated in your religion is an important part of your spiritual life. Being active in the school masses and participating in the prayers and songs is an important part of your faith. From a religious standpoint, some of the clubs and missions you can join is the Christian service club or the Pro-life club. Attending Bishop Mcdevitt will make you a better person for the rest of your life.

My advice to you is to work hard, study a lot and pay attention to your teachers. If you have any questions do not be afraid to ask, if you have any issues do not be afraid to talk to a teacher or counselor. The teachers and counselors are always willing to help you and create an atmosphere so you can succeed. As I mentioned there are many sports and clubs at Bishop Mcdevitt. There is also academic and service related clubs to join at Bishop Mcdevitt. This is a great opportunity for you. GO FOR IT and GO CRUSADERS.

Sincerely,
Austin Maloney
