

Dear Future Crusader,

My name is Bianca DiSanto and I am a junior at Bishop McDevitt High School. I am currently enrolled in all courses at the honors level and have been able to consistently rank in the top ten of my class academically. Bishop McDevitt offers a rigorous and rewarding academic program, which has allowed me to recently be accepted to Stanford University's summer program for high school juniors. McDevitt has equipped me with all the tools necessary to succeed in life.

In addition to quality academics, Bishop McDevitt provides students with a myriad of extra-curricular activities to its students. I am currently the president of my junior class in the student council. I am also an active student athlete, playing on the girl's soccer team. Balancing sports and academics has been a challenge, but I always remember to put schoolwork first. I have learned how to manage my time to allow myself to succeed academically, and simultaneously find time to be an active member in the McDevitt family.

Participation is key to any high school experience. At Bishop McDevitt I am actively involved in various clubs and activities. I am a member of the Christian Service Club, National Honors Society, Future Business Leaders of America, Youth Community Development Team, Mock Trial Team, and I am a Peer Councilor. There is virtually a club tailored to catch anyone's interest.

When I was in grade school I always knew I would be a Crusader one day. I have been blessed to receive a Catholic Education, and I would recommend it to anyone. My parents always told me that school is temporary but your faith is forever. At McDevitt I have been able to push myself to succeed academically, but I have also been given the opportunity to grow spiritually. Mass is celebrated once a month as a school, and is offered daily before the start of every day. This is an opportunity unique to McDevitt.

In closing, I would like you to seriously consider attending Bishop McDevitt for your high school education. My experiences at McDevitt have been thoroughly enjoyable. McDevitt has perfectly balanced faith and secular education, extra-curricular activities and academics. Join me in the Crusade!

Sincerely,
