Dear Future Crusader,

My name is Warren Leung, and I am a sophomore at Bishop McDevitt High School. The classes I currently take are Chemistry, Algebra II, Spanish II, English Literature, Modern World Studies, and Religion II. I am currently ranked 13 out of around 155 kids, so I personally feel that I am a good student. Many of the teachers here at McDevitt are nice, and if you're lucky, you will have a funny teacher like Mr. Moyer.

For extracurricular activities, I play lacrosse, but I used to play golf. I enjoy playing lacrosse because the sport is challenging, keeps you fit, and you'll make more friends. Other sports available at McDevitt are football, basketball, baseball, swimming, soccer, tennis, field hockey, hockey, and wrestling. There are also many clubs to do after school such as Spanish Club, French Club, and Pro-life Club. Also, you can join stage crew which helps out at mass, concerts, and plays.

Catholicism is a huge part of a day at school. We pray before the start of every class and pray the angelus every day at noon. As a school, we have mass once a month and go on every holy day of obligation. You can participate in mass by singing in the choir, altar serving, or doing the readings at mass. McDevitt also offers Christian clubs like the Pro-life Club and the Christian Service Club. Going to a Catholic school makes you a better person by constantly reminding you of God with prayer and religion class; the school also gives you an opportunity to help the community with the Christian Service Club.

My advice for high school is to work as hard as you can for all four years of high school. Also, you should join sports and clubs that interest you because you will meet new people and possibly make more friends. If you don't like any of the sports and clubs, the best way to make more friends would be to get familiar with as many students as possible. Making more friends will make your four years in high school more enjoyable. I hope you consider Bishop McDevitt as an option for high school because you will receive a great education, and we are like one big family here at Bishop McDevitt High School.

Sincerely,  
Warren Leung
