

The **Bishop McDevitt Baseball family** would like to sincerely thank all of you who have and continue to participate in our various fundraisers such as the Golf

Tournament to promote the Baseball Program. We are very proud of our baseball history at McDevitt and extremely proud of recent accomplishments by our student athletes within the baseball program both on and off the field. Our primary goal is to make sure our players do things the right way, both on and off the field, while having an impact with McDevitt family and throughout the community. We have many plans for the baseball field/facility, for which we could not accomplish without your continued support.
